Under Counter - Labratory Refrigerator

Solid Door: DLS145LS

Overview

Our intuitive range of refrigerators feature built-in wireless monitoring software, enabling you to access the refrigerator's performance remotely.

Plus, our bespoke touchscreen controller, designed specifically for the end user with simple access to key information.

Key Features

Advanced Controller Easy to use touch screen controller, with no awkward buttons to press

Connected Wireless temperature monitoring built-in

Dual Temperature Probes View your daily minimum and maximum temperatures in one touch

Battery Back-Up A/V alarms should your temperature stray or the door be left open

Antimicrobial Protection Biocote® handle helping protect from microbes such as E. coli, Campylobacter, Salmonella and MRSA

Self-Closing Doors Fitted with self-closing hinges to help avoid any temperature loss
